

VERTICAL FLOOR MOUNT UNIT

COMPONENTS:

- | | | | |
|----|------------------------------|----|---|
| 1 | Compressor | 11 | Access valve |
| 2 | High pressure switch | 12 | Shut off valve |
| 3 | Low pressure switch | 13 | Water cooled condenser/heat exchanger |
| 4 | Rotalock valve | 14 | Water regulating valve (Standard 2-way, optional 3-way) |
| 5 | Evaporator | 15 | Gate valve (supplied by others) |
| 6 | Refrigerant distributor | 16 | Globe valve (supplied by others) |
| 7 | Thermostatic expansion valve | 17 | Chilled water cooling coil |
| 8 | Liquid line solenoid valve | 18 | 2-way modulating valve (optional 3-way valve) |
| 9 | Sight glass | | |
| 10 | Filter-drier | | |
